

● **Fokus på totalløsninger
gør det nemt at være kunde**

hkc-data a/s er Midt- og Vestjyllands største "lokale" servicecenter for IT og print samt kopi- og kontormaskiner. Det knap 20 år gamle firma tilbyder mindre og mellemstore virksomheder edb-mæssige totalløsninger, der omfatter hardware, software, uddannelse og teknisk service. Derudover sælger firmaet også pc-løsninger til private, så hkc-data a/s har erfaring i at tilpasse sine servicepakker til forskellige kunders behov.

Autoriseret Supportleverandør for HP

hkc-data a/s er certificeret HP-forhandler og er derfor uddannet i HP/Compaq-computere og -serverprodukter, hvilket sikrer kunderne den bedste rådgivning og service. Samtidig er hkc-data a/s også Autoriseret Supportleverandør for HP og har derfor eget værksted, hvor 10 teknikere klargør og reparerer HP produkter, ikke bare for sig selv, men også for andre HP-forhandlere i Danmark.

Software og systemsalg

hkc-data a/s lægger vægt på at kunne levere totalløsninger, som også omfatter undervisning i flere software-systemer. På softwaresiden kan hkc-data a/s tilbyde blandt andet Microsoft Office-pakkerne, økonomisystemet Microsoft Business Solutions-C5 og store Trim-It/Navision-løsninger. Desuden har firmaet økonomisystemet Admiral Software, der kan tilpasses flere brancher.

Kopimaskiner fra Gestetner

I sommeren 2003 blev hkc-data a/s Gestetner Partner. Med Gestetners produkter tilbyder hkc-data a/s det bredeste sortiment af avancerede digitale løsninger til dokumenthåndtering og kontorautomation, hvilket sikrer kunderne den mest optimale totalløsning inden for print, kopi, fax og scanning. I forbindelse med en større udvidelse har firmaet desuden indrettet et flot showroom til print- og kopimaskiner.

Canon produkter

Som Canon Business Center tilbyder hkc-data a/s også alt inden for elektroniske kameraer og fotoprintere. Totalløsninger fra Canon, som hkc-data a/s også gerne demonstrerer for private kunder.

HKC – Business Line

Et af de nyeste tiltag er "HKC Business Line", hvor kunderne i en nyetableret afdeling kan få bygget en individuel pc-løsning. Pc'en bliver leveret "køreklar", og er der brug for undervisning, kan hkc-data a/s også tilbyde det.

Find et godt tilbud på www.hkc-data.dk

Det er altid en god ide at klikke sig ind på hkc-data a/s' hjemmeside og se de aktuelle tilbud, der løbende bliver udskiftet. Her er der mulighed for at finde et interessant tilbud.

For hkc-data a/s betyder "totalløsninger", at "her behøver du kun at handle ét sted".

● **Focus on turnkey solutions
makes life easier for customers**

hkc-data a/s is the biggest "local" service centre in central and western Jutland for IT and print as well as photocopying and office machines. The firm, which is almost 20 years old, offers small and medium-sized companies turnkey IT solutions covering hardware, software, training and technical service. In addition, the company also sells PC solutions to private customers, making hkc-data a/s an experienced supplier when it comes to adapting its service packages to meet the needs and requirements of its many different customers.

Authorised HP support provider

hkc-data a/s is a certified HP dealer and therefore trained in HP/Compaq computers and server products, ensuring customers the highest level of advice and service. hkc-data a/s is also an HP Authorised Support Provider, and therefore has its own workshop where ten technicians prepare and repair HP products, not just for ourselves but also for other HP dealers in Denmark.

Software and system sales

It is a priority for hkc-data a/s to be able to deliver turnkey solutions, solutions which also include training in several software systems. On the software side, hkc-data a/s offers the Microsoft Office packages, the finance system Microsoft Business Solutions-C5 and major Trim-It/Navision solutions. The company also has the Admiral Software finance system, which can be adapted to suit a variety of sectors.

Gestetner photocopying machines

In the summer of 2003, hkc-data a/s became a Gestetner Partner. Gestetner's products enable hkc-data a/s to provide the widest selection of advanced digital solutions for document handling and office automation, thereby ensuring customers the best possible print, photocopying, fax and scanning solutions. In connection with a major expansion, the company has also established an attractive showroom for printers and photocopying machines.

Canon products

As a Canon Business Center, hkc-data a/s also supplies all types of digital cameras and photo printers. The company is also very happy to demonstrate total solutions from Canon to private customers.

HKC - Business Line

One of the latest initiatives is "HKC Business Line" where customers can have individual PC solutions built to their own specifications in a newly established department. Each PC is supplied ready to run, and if any instruction is required hkc-data a/s also assists in this respect.

Lots of good offers to be found at www.hkc-data.dk

It is always a good idea to click into hkc-data a/s's homepage and see any special offers currently available as they are changing all the time. There is every chance of finding a good deal.

For hkc-data a/s, turnkey solutions means one-stop shopping.
