

● **Skræddergaard EL-installation – din servicepartner**

Skræddergaard EL-installation A/S er en veletableret el-installationsvirksomhed, der er grundlagt i 1950. Firmaet udfører alle former for el-arbejde for såvel private som offentlige virksomheder og for private kunder.

Skræddergaard EL-installation ser sig selv som kundens servicepartner, der skal være en medvirkende årsag til, at kundens virksomhed kører uden problemer.

I dag beskæftiger virksomheden godt og vel 40 medarbejdere, som løbende gennemgår relevante efteruddannelser for fortsat at kunne udføre deres arbejde professionelt – altid med kunden som omdrejningspunkt.

Hos Skræddergaard EL-installation arbejder vi efter værdier som at overholde aftaler og tidspunkter, at levere lidt ud over det, kunden forventer, samt at være ærlige og troværdige, så kunden kan være tryk ved samarbejdet.

● **Skræddergaard EL-installation – your service partner**

Skræddergaard EL-installation A/S is a well-established electrical installation company, founded in 1950. The company undertakes all kinds of electrical work for both privately owned and public enterprises as well as for private customers.

Skræddergaard EL-installation sees itself as a service partner for its customers, contributing to the smooth running of their activities.

Today, the company has over 40 employees who all regularly attend relevant further training courses in order to maintain high professional standards – and always with focus on customers.

Skræddergaard EL-installation upholds values such as reliability, by keeping appointments and sticking to deadlines, and supplies that bit more than customers expect as well as being honest and trustworthy so customers can always feel entirely confident when collaborating on a project.
