

● **Tømrefirmaet Smith A/S sikrer både tradition og fornyelse**

Tømrefirmaet Smith A/S har haft en stabil udvikling siden starten i 1968 og har i dag ud over fem lærlinge også 30 svende ansat, hvoraf nogle har været i firmaet i mere end 25 år.

Udover en stabil, dygtig medarbejderstab har Tømrefirmaet Smith A/S også eget værksted, servicevogne, teleskop- og sakslyfte, så man kan løse alle typer opgaver, dog hovedsageligt inden for tømmer- og snedkerarbejde. Firmaet samarbejder også med andre faggrupper, så man kan tilbyde alt inden for hoved- og totalentreprise til aftalt pris og tid. Opgaverne løses typisk i Herning og omegn samt i Silkeborg. Tømrefirmaet har i dag en stor erhvervsorienteret kundekreds, der består af boligselskaber, erhvervsvirksomheder, offentlige institutioner samt arkitekter og rådgivende ingeniører, mens

Herning Svømmehal

Gullestrup Kirke

man kun i mindre omfang løser opgaver for private.

Blandt de byggerier, som Tømrefirmaet Smith A/S er stolte over at have udført, kan nævnes JBS, BDO, Unimerco, Dansk Wilton, Gemina, Herning Svømmehal, Herning Sygehus og A-tex samt boliger for boligselskaberne i Herning og Silkeborg.

Tømrefirmaet Smith A/S blev i 2001 overtaget af Oluf Lauritsen og Agner Josefsen, efter at de begge gennem en lang årrække havde været medejere af firmaet.

● **Tømrefirmaet Smith A/S embraces tradition and innovation**

Tømrefirmaet Smith A/S has seen steady growth since the company's foundation in 1968. In addition to five apprentices, the company today employs 30 trained carpenters and joiners, some of whom have been with the company for more than 25 years.

In addition to an incredibly stable workforce, Tømrefirmaet Smith A/S also has its own workshop, service vans, telescopic and scissor lifts, enabling it to undertake all types of jobs. The company's main focus is, however, on car-

Boligblok Thrigesvej, Herning

entry and joinery. The company operates in partnership with a number of other professions, enabling it to undertake all types of main and turnkey contracts, which are always performed within the agreed budget and by the agreed deadlines. Most work is performed in Herning and the Herning region as well as in Silkeborg. The company serves a wide range of business customers, including housing associations, businesses and public institutions as well as architects and consulting engineers, while private customers account for only a small part of the customer base.

Construction projects which Tømrefirmaet Smith A/S is particularly proud to have been part of include JBS, BDO, Unimerco, Dansk Wilton, Gemina, the swimming pool complex Herning Svømmehal, Herning Hospital and A-tex as well as residential properties for various housing associations in Herning.

In 2001, Tømrefirmaet Smith A/S was taken over by Oluf Lauritsen and Agner Josefsen, long-standing co-owners of the company.
