

● **Vi er grænseoverskridende for vores kunders skyld!**

VJbrammer A/S er et internationalt transport- og spedititionsfirma, der varetager bilfragt i hele Vest- og Østeuropa. Via vores danske og europæiske samarbejdspartnere har vi et veludbygget og velfungerende netværk. Derudover råder vi over et stærkt og udbygget netværk worldwide, når det gælder import og eksport via luft- og søfragtforsendelser.

Biltransporter

VJbrammer A/S har biltrafik til alle destinationer i Vest- og Østeuropa. Vi løser alle transportopgaver: Stykgods, full loads, specialtransporter og tredjelandstransporter mellem Vest- og Østeuropæiske lande.

Logistik og Lagerhotel

Vores lagerhotel er på 14.000 kvadratmeter, og vi tilbyder individuelle logistik- og lagerløsninger, total- eller delløsninger, Pick & Pack og distributionsopgaver. Med egne og indchartrede biler

leverer vi forsendelser overalt i Danmark fra dag til dag. VJbrammer A/S har egne specialbyggede tæppe/tekstil- og møbelbiler. Desuden har vi tilladelse til offentligt toldoplæg.

Fortoldning

VJbrammer A/S tilbyder Intrastat-indberetning samt alle former for fortoldning, herunder også opgaver i forbindelse med passiv og aktiv forædling.

Sø- og luftfragt (Ekspresforsendelser)

VJbrammer A/S har hele verden som arbejdsplads. I samarbejde med en række stærke agenter opererer vi på ca. 350 destinationer over hele verden. Til lands, til vands og i luften.

Gennem en tæt kundediolog ønsker VJbrammer A/S at udvikle og producere transportløsninger med en høj grad af kvalitet og fleksibilitet for derigennem at sikre vores kunders konkurrenceevne og kvalitetsniveau.

Vores værdier er:

- Kunden i centrum
- Størst mulig fleksibilitet
- Arbejdsglæde og begejstring
- Åben og uformel omgangstone
- Vi vil skabe tryghed for vores kunder

Vi har fleksible og effektive systemer til løsning af opgaver inden for lagerhotel, logistik og distribution. Vores vigtigste værktøj er vores medarbejdere, der altid er til rådighed for vores kunder og klar til at yde dem en personlig og fleksibel løsning.

● **We go to extremes for our customers!**

VJbrammer A/S is an international transport and freight-forwarding firm involved in road transport throughout all of eastern and western Europe. Via our Danish and European business partners we operate a well-established and well-run network. Moreover, we also have a strong and highly developed worldwide network for imports and exports via air and sea freight forwarding.

Road transport

VJbrammer A/S offers road transport to all destinations in western and eastern Europe. We can take on all types of transport jobs: mixed freight, full loads, specialist transports and transports to third-party countries between western and eastern European countries.

Logistics and storage hotel

The firm has 14,000 square metres of storage facilities, and offers individual logistics and storage solutions, complete or part solutions, Pick & Pack as well as distribution assignments. The firm uses both its own and chartered vehicles to deliver consignments throughout Denmark from one day to the next. VJbrammer A/S also has its own specially designed lorries for transporting rugs, textiles and furniture. In addition, we are authorised to use public bonded warehouses.

Customs clearance

VJbrammer A/S offers Intrastat reporting as well as all types of clearance, including assignments in connection with inward and outward processing traffic.

Sea and air freight (express despatches)

VJbrammer operates worldwide. In collaboration with a string of well-established agents, we operate at approx. 350 destinations around the world. By land, by sea and by air. Through close customer dialogue, VJbrammer A/S wants to develop and produce high-quality and flexible transport solutions, thereby supporting the competitiveness and quality standards of our customers.

Our core values are:

- Customer focus
- Greatest possible flexibility
- Job satisfaction and enthusiasm
- Open and informal conduct
- Customer confidence

We offer flexible and efficient solutions for undertaking all types of storage, logistics and distribution assignments. Our most important tools are our employees who are always at our customers' disposal and ready to provide them with personal and flexible solutions.
