Arkitekter MAA/PAR

Medlem af Danske Byggeøkonomer MDB

Arkitektfirmaet Finn Østergaard A/S påtager sig alle former for arkitektopgaver, lige fra de mindste til de største, herunder blandt andet en kiosk på bare tre m² til Torvet i Løkken samt bygningen på 25.000 m² i Pandrup, hvor Capetronic Europe i dag producerer fladskærme.

Arkitektfirmaet Finn Østergaard A/S beskæftiger sig med arkitekturrådgivning i bred forstand. Det vil sige funktionsanalyse, programmering, totaløkonomi, planlægning, projektering, bygningsdesign og farvesætning samt tids-/kvalitetsmæssig og økonomisk styring.

Tegnestuen, der igennem årene har vundet flere arkitektkonkurrencer, løser opgaver i hele landet. Blandt

de nyeste opgaver er et forretningscenter for IDEmøbler, Punkt 1 og HTH i Hjørring, det romerske bad Romulus i Skallerup Klit Feriecenter, ny administration, værksted og garager til Forsyningen Frederikshavn, Frederikshavn Istadion, Vrå Hallen samt renovering af boligbyggeri, nye parcelhuse og tilbygninger.

Arkitektfirmaet Finn Østergaard A/S blev etableret i 1961 og drives i dag af arkitekterne Søren Bangsø MDB, Per Ellitsgaard MAA og Steen E. Madsen MAA/MDB. I alt beskæftiger virksomheden 12 medarbejdere.

MAA/PAR architects – A member of the Danish Association of Construction Economists MDB

The firm of architects Arkitektfirmaet Finn Østergaard A/S undertakes all types of architectural jobs ranging from very small to very large projects, from for example a tiny 3-square-metre kiosk for the town square in Løkken to a 25,000-square-metre building in Pandrup, which is presently used by Capetronic Europe for the manufacture of flatscreens.

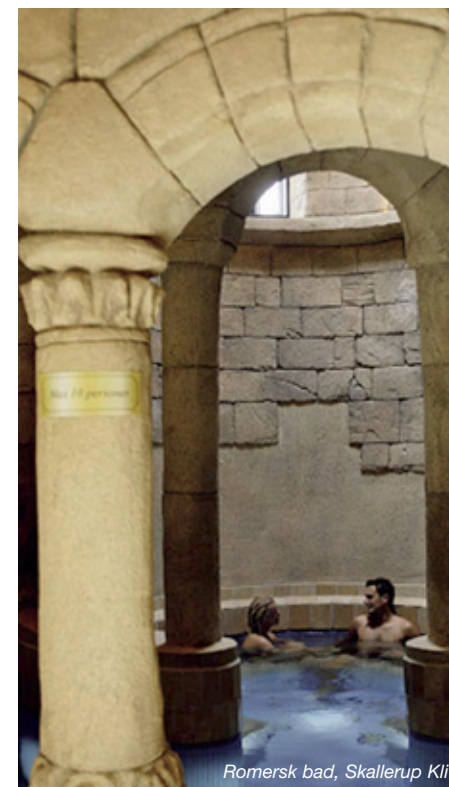

Arkitektfirmaet Finn Østergaard A/S offers architectural consultancy services in the widest possible sense of the term. Services include function analyses, programming, total cost calculations, planning, projecting, building design and colour scheme as well as time, quality and financial management.

The architectural office, which has won several architectural competitions over the years, operates throughout Denmark. Recent assignments include a shopping centre for the furniture shop IDEmøbler, the household appliances group Punkt 1 and the kitchen store HTH in Hjørring; the new Roman baths at the Skallerup Klit holiday centre; a new adminis-
