

# Kemp & Lauritzen

## ● Din lokale elektriker – med et stærkt netværk

Kemp & Lauritzen blev etableret i København i 1882, og knap 100 år senere, nærmere betegnet 1980, opkøbte de Skanderborg-firmaet EI-409, som på det tidspunkt havde eksisteret i ca. 40 år.

I afdelingen i Skanderborg udføres alle former for el-installationsopgaver, herunder nybyggeri, service- og reparationsarbejder hos private, detailhandlen

samt industri- og servicevirksomheder. Desuden er afdelingen specialiseret i reparation af hårde hvidevarer både hos private og i storkøkkener. Afdelingen beskæftiger 15 medarbejdere, og Kemp & Lauritzens monterer og servicebiler er et velkendt isæt i byens og omegnens gadebillede.

Kemp & Lauritzen er 100% danskejet, har hovedkontor i Albertslund og afdelinger 17 forskellige steder i Danmark. På landsplan har firmaet mere end 1.300 medarbejdere på lønningslisten.

Koncernen er med landsdækkende virksomhed inden for el, VVS, rør og ventilation en af de største danske tekniske entreprenør- og servicevirksomheder.

## ● Your local electricians – backed by a strong network

Kemp & Lauritzen was founded in Copenhagen in 1882, and almost 100 years later, in 1980 to be precise, the company acquired EI-409 in Skanderborg, a firm of electricians which at the time had been in business for approx. 40 years.

The Skanderborg department carries out all types of electrical installations, including installations in newly built properties, servicing and repair work for private homeowners and the retail trade as well as industrial and service companies. Moreover, the department specialises in repairing household appliances for private customers as well as catering businesses. The department has 15 employees, and Kemp & Lauritzen technicians and vans are part and parcel of the townscape in Skanderborg and nearby towns and villages.

Kemp & Lauritzen is a wholly owned Danish company which is domiciled in Albertslund on Zealand. It has departments in seventeen different locations in Denmark, and has more than 1,300 employees.

With nationwide activities within electrical installations, plumbing, piping and ventilation, the Kemp & Lauritzen group is one of the largest Danish contracting and service companies.
