

● **STILLING KØL & EL ApS**

Perfekte løsninger til klima- og elinstallationer

Ingen opgave inden for el, klima, køl og frost er fremmed for STILLING KØL & EL ApS, der blev etableret i 1983 og beskæftiger 15 kompetente og fagligt dygtige medarbejdere. Virksomhedens meget store ekspertise kommer kunderne til gode, hvad enten der er tale om nye installationer, vedligeholdelse eller reparation af eksisterende anlæg.

STILLING KØL & EL er Østjyllands sagkyndige håndværksfirma, når det gælder aircondition og andre former for klimaanlæg, eller når industrien og detailhandlen skal have bygget til. Desuden udfører firmaet almindelige el-opgaver af enhver art – både i landbruget og industrien.

Når STILLING KØL & EL er inde i billedet, giver det sikkerhed for professionelle og individuelle løsninger. Kunderne kan regne med miljørigtige, teknisk perfekte løsninger til fornuftige priser – og leveret som aftalt. Erfaringer gjort på det industrielle område kommer private til gode, når de sender bud efter firmaet som almindelig elinstallatør.

● **STILLING KØL & EL ApS**

Perfect electrical and air-conditioning solutions

STILLING KØL & EL ApS is your specialist supplier of electrical, air-conditioning and cooling solutions. The company was established in 1983 and today employs 15 competent and highly skilled people. The company's extensive expertise and know-how is highly valued by customers, be it in connection with new installations or the maintenance or repair of existing systems.

STILLING KØL & EL is east Jutland's specialist supplier of air conditioning and other types of air handling systems for shops and offices, while activities also include construction and servicing for industrial companies as well as retailers. Furthermore, the company undertakes all kinds of standard electrical installations for farms and industry.

With STILLING KØL & EL, customers are guaranteed professional and individual solutions and know that they can count on reasonably priced and environmentally correct, technically perfect solutions – delivered as agreed. The company's extensive experience from industrial installations also benefits those customers who require its services in their private households.
